***To whom it may concern:***

I am writing this letter to highly recommend Trish Gunther to anyone who is considering using her services.

I've been working with Trish for over 6 years, and her attention to detail, professionalism, honesty and flexibility have played a vital role in my success and in my ability to market and sell homes quicker and for more money than the competition.

As a professional Realtor, the image I portray to the public of the homes that I represent, must be of the highest quality and employ the latest technology in order to compete in a tough real estate market. Trish is a rare blend of techno-savvy, with an artistic flair. She is extremely talented, works hard and is very reliable.

Feel free to call me any time at 602.574.1111.

Regards,
